PROFESSIONAL SUMMARY

Results-driven **Senior IT Operations & SRE Leader** with 13+ years of experience ensuring **high availability, reliability, and scalability of mission-critical systems** across banking and fintech environments.

Proven track record in:

- Driving **99.9%+ uptime** for enterprise platforms
- Leading **incident response, RCA, and service recovery at scale**
- Implementing **SRE practices (SLIs, SLOs, observability, automation)**

6× Oracle Cloud Certified professional with strong expertise in **Production systems, RPA automation, and ITSM frameworks**.

Known for bridging **business objectives with engineering execution**, improving system resilience, and leading high-performing support teams.

CORE SKILLS

SRE & Reliability Engineering

SLIs, SLOs, Error Budgets

Observability(Graffana, Dynatrace, Prometheus)

Incident Management & Blameless RCA

Cloud & DevOps

OCI (6 X Certified)

CI/CD, Infrastructure as Code(IaC)

Containerization(Docker, Kubernetes – foundational)

Application & Production Support

L2/L3 Support (Banking, Fintech)

Release & Change Management

Performance Tuning & Change Management

Leadership & Strategy

Team Leadership & Mentorship

Stakeholder & Vendor Management

IT Strategy & Digital Transformation

PROFESSIONAL EXPERIENCE

Lead, Technical Operations(Robotics Process Automation)

Ecobank Transnational Inc — *Aug 2023 – Present, Lagos*

- Lead L2/L3 support for enterprise RPA platforms across multiple business units
- Ensure **high availability and resilience of automation systems**
- Drive incident management, RCA, and preventive fixes (reduced repeat incidents)
- Monitor BOT performance, queues, and infrastructure health
- Collaborate with RPA CoE Developers to improve automation reliability and efficiency
- Conduct blameless Root Cause Analysis (RCA) for automation failures
- Mentor and lead a team of support engineers
- Analyse BOT logs, queues, and performance metrics
- Support business teams in resolving automation-related issues
- Support the RPA Centre of Excellence (CoE) in Release Management, Change Control, Onboarding to Production

Senior Site Reliability / Technical Support

Moniepoint Inc. — *Sep 2022 – Aug 2023, Lagos*

- Managed **availability and performance of mission-critical fintech systems**
- Defined and implemented **SLIs, SLOs, and error budgets**
- Led incident response and postmortems improving system reliability
- Improved observability using **Grafana, Dynatrace, Prometheus, Logging, and Tracing**
- Automated operational processes to reduce manual effort (toil reduction)
- Collaborate with development teams to improve system reliability and deployment practices.
- Supported CI/CD pipelines and deployment reliability
- Perform capacity planning and performance tuning.

Senior Application Support Specialist

Access Bank Plc — *Aug 2021 – Aug 2022, Lagos*

- Delivered end-to-end support for **omnichannel banking systems**
- Managed production deployments, patches, and release cycles
- Led system migrations and DR failover activities
- Partnered with engineering teams to resolve production issues
- Ensured compliance with **security and regulatory standards**

Electronic Channels Support

Haggai Mortgage Bank Ltd. — *Jul 2018 – Jul 2021, Lagos*

- Supported digital banking platforms (Mobile, USSD, Internet Banking)
- Performed SQL diagnostics and issue resolution
- Maintained SLA-driven uptime and service availability
- Produced performance reports and trend analysis
- Collaborated with vendors and internal teams to close incidents within target timelines
- Delivered training to junior team members and ensured knowledge transfer

Channel Service Monitoring

United Bank for Africa Plc (UBA) — *Jul 2012 – Jun 2018, Lagos*

- Supported ATM, POS, and card transaction systems
- Resolved transaction failures and routing issues
- Reduced escalations via proactive monitoring and alerting

- Managed incident lifecycle from ticket creation to closure with documented RCA

EDUCATION

Master of Science (M.Sc.) – Information Technology

University of Lagos, Nigeria – 2016–2019

Graduated with Distinction

Bachelor of Science (B.Sc.) – Computer Science

University of Calabar, Nigeria – 2006–2010

CERTIFICATIONS & TRAINING

- ITIL V4
 - ServiceNow IT Leadership Certificate
 - DevOps Professional Certificate
 - Blueprism Foundation Training – BluePrism University
 - 6 X Oracle Cloud Infrastructure (OCI) Certifications
